Dear Fellow Churches and Youth Groups of the Rio Grande Valley,

As we embark on this task of hosting the **FREE** "Rockfest 2008 – Follow the Light" Christian Concert, we know that this is a task we cannot do alone. We hope you will find it in your hearts to come alongside of Christ's Harbor Church and support this event through the following:

Our #1 request is for **prayers**. We need prayers for the youth that will come to hear the message, the business leaders who will be sponsors, the calling of many volunteers we will need, and wisdom and courage to plan this event to the Glory of God.

Our #2 request is for your church and/or youth group to help **spread the word** about the event and come be a part of this powerful and life-changing experience. We plan to recognize all of the youth groups which are in attendance throughout the event.

Our #3 request is for **volunteers**. Listed below are various opportunities for your church and youth group to participate.

- Prayer Team (during event)
- Christian Counselors (need to be licensed and certified)
- Greeters
- Event Security
- Set Up
- Clean Up
- Registration

Our #4 request is for your **financial support**. We need many funds raised for this event through individual and church donations, as well as reaching out to the business community to seek sponsors. Please refer to the Sponsor Opportunities Information Sheet to share with business leaders from your congregation that might like to be a part of this outreach.

If you would like to help us in any of these areas, please email us at rockfest@christsharborchurch.com or contact Brian Bailey at 956-772-1849 or Dave Boughter at 956-943-1341

Rockfest 2008 – "Follow the Light"

July 3, 2008 – Doors open at 6:30 p.m.

South Padre Island Convention Centre

Featured Entertainment:

Salvador

Get your feet ready to dance, because when hot new Austin-based five-piece Salvador hits the stage, their Latin-infused pop sensibilities and youthful exuberance will simply take over and leave no foot in the house still. Recently opened for Jars of Clay, Promise Keepers and Acquire the Fire.

Pelican West

South Padre Island's own Pelican West offers a unique blend of cover and original Christian / positive Rock. Their live show is powerful and uplifting and anchored by original songs such as Get Connected, Light My Way and Enjoy Where You Are. Riveting covers from Evanescence, Mercyme and Phil Collins emphasize the positive message of Pelican West.

Grace Players

Christian drama group from Willis, Texas lead by Pastor Don Pope
